

STT DELHI DC3

Delhi, the capital city of India, serves as the commercial capital of North India and also a major e-commerce hub. The city is also home to ministries and departments associated with the Government of India and also serves as the headquarters of the public sector undertaking companies. 50% of the Fortune 500 companies have set up offices in and around Delhi. STT Delhi DC3 is the only enterprise grade, highly scalable data centre within the municipal limits of Delhi with the best environmental advantage across Delhi NCR.
